

Addendum
to the
Master Articulation Agreement
by and between
Ohio University and
Terra State Community College

This Addendum to the Master Articulation Agreement (“Addendum”) is entered into on July 1, 2019 (the “Effective Date”) by Ohio University (“University”), with an address of Athens, OH 45701; and Terra State Community College (“College”), with an address of 2830 Napoleon Rd, Fremont, OH 43420, collectively referred to as the “Parties.”

WHEREAS, University and College entered into a Master Articulation Agreement effective July 1, 2019 (“Agreement”);

WHEREAS, the Parties wish to supplement the Agreement to allow for students of the College to be eligible for articulated course credits at University; and

WHEREAS, the terms contained in this Addendum are specific to the degree program at each institution as set forth below.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Degree Program(s)**.
 - a. College: **Associate of Applied Science in Integrated Healthcare Studies** (“College Degree Program”)
 - b. University: **Bachelor of Science in Integrated Healthcare Studies (IHS)** (“University Degree Program”)
2. **Term**. This Addendum will commence on July 1, 2019 and terminate on June 30, 2021.
3. The University Degree Program will be delivered in the following modality(ies): On-campus course offerings and online course offerings through eCampus.
4. The College Degree Program is accredited by the following accrediting body/program certification: Higher Learning Commission.
5. Designated representatives from each institution will confer annually to review this Addendum as necessary, based on curriculum changes. Articulation courses may be added or removed from the articulation table at that time.
6. This Addendum defines a pathway by which a student could articulate the College Degree Program into the University Degree Program. Due to individual student factors, including but not limited to part-time or full-time status, need for developmental coursework, scheduling and availability of courses, all students may not be able to complete the listed pathway in the time projected. This Addendum does not guarantee the completion of a baccalaureate in four years, or in two years beyond the associate degree level.

SIGNATURES

By signing below, each party acknowledges its agreement with the terms and conditions of this Agreement and each signatory represents and warrants that he/she is authorized to sign on behalf of and bind his/her party to all of the terms and conditions of this Agreement as of the Effective Date.

Terra State Community College – Ohio University Plan

Bachelor of Science in Integrated Healthcare Studies Pathway

The Integrated Healthcare Studies (BS IHS) degree is designed as a completion degree for individuals who have completed at least 60 semester hours in an allied health-related discipline; or for those students who have started an undergraduate health related program and have decided a more general health degree better suits their educational goals. The BS IHS program provides students a pathway to continue their education, increase career possibilities, and creates a pathway to graduate education. The Integrated Healthcare Studies program responds to the need of an increasingly complex state of the American healthcare system by providing opportunities for students to acquire vital knowledge and skills that will be critical in practicing and navigating the healthcare system. Not only is the healthcare system becoming more complex; healthcare professions, and healthcare support, are among the fastest growing occupations with the increased expectation that higher levels of education will be required.

Online Convenience. Ohio University Quality.

- Review study materials and submit assignments online.
- Learn from distinguished professors w/ Clinical Experience.
- Progress through the degree in consultation with an Ohio University academic advisor.
- Flexibility to choose classes for your specific need and most IHS courses are held in 7 week increments.

Admission Requirements

- Any associate degree or 60 semester (90 total quarter) hours from regionally accredited school.
- At least 9 semester hours in courses with a health or medical focus.
- At least one course in each of the following areas: college level mathematics, English composition, and biological sciences.
- At least one course in psychology, sociology, or social work.
- A minimum combined GPA of 2.67 (B-) from all prior college-level coursework.
- All official transcripts submitted to Ohio University at the time of application.

The information on this guide is based off of the catalog requirements posted in the 2019-2020 Ohio University catalog and related Terra State Community College equivalents as of the Last Updated date. All information is subject to change without notice. Students are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with CPM/Advisor to discuss course selection based on offered options.
