

Addendum
to the
Master Articulation Agreement
by and between
Ohio University and Terra State Community College

This Addendum to the Master Articulation Agreement (“Addendum”) is entered into on July 1, 2019 (the “Effective Date”) by Ohio University (“University”), with an address of Athens, OH 45701; and Terra State Community College (“College”), with an address of 2830 Napoleon Road, Fremont, OH 43420, collectively referred to as the “Parties.”

WHEREAS, University and College entered into a Master Articulation Agreement effective July 1, 2017 (“Agreement”);

WHEREAS, the Parties wish to supplement the Agreement to allow for students of the College to be eligible for articulated course credits at University; and

WHEREAS, the terms contained in this Addendum are specific to the degree program at each institution as set forth below.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Degree Program(s)**.
 - a. College: **Associate of Applied Science, Associate of Applied Business, or Associate of Technical Studies (“College Degree Program”)**
 - b. University: **Bachelor of Technical Operations Management (BSTOM) (“University Degree Program”)**
2. **Term**. This Addendum will commence on July 1, 2019 and terminate on June 30, 2021.
3. The University Degree Program will be delivered in the following modality(ies): Online course offerings.
4. The College Degree Program is accredited by the following accrediting body/program certification: Higher Learning Commission.
5. Designated representatives from each institution will confer annually to review this Addendum as necessary, based on curriculum changes. Articulation courses may be added or removed from the articulation table at that time.
6. This Addendum defines a pathway by which a student could articulate the College Degree Program into the University Degree Program. Due to individual student factors, including but not limited to part-time or full-time status, need for developmental coursework, scheduling and availability of courses, all students may not be able to complete the listed pathway in the time projected. This Addendum does not guarantee the completion of a baccalaureate in four years, or in two years beyond the associate degree level.

SIGNATURES

By signing below, each party acknowledges its agreement with the terms and conditions of this Agreement and each signatory represents and warrants that he/she is authorized to sign on behalf of and bind his/her party to all of the terms and conditions of this Agreement as of the Effective Date.

Dr. Dennis Irwin [date]
Ohio University, Dean, Russ College of Engineering and Technology

Ohio University, Professor and Department Chair, Department of Engineering Technology and Management

William Taylor [date]
Terra State Community College, Interim Vice President for Academic Affairs

Approved as to form:

Jessica Holliday [date]
Ohio University, Interim Associate Director for Transfer Credit & Articulation Management

Terra State Community College – Ohio University Plan

Bachelor of Science in Technical Operations Management Online Program Pathway

The Bachelor of Technical Operations Management (BSTOM) is intended for students who have already completed an applied associate's degree program from an accredited community college, regional campus, or technical college, and who wish to pursue a baccalaureate degree. The BSTOM program builds upon the technical skills developed within applied associate degree programs by providing the knowledge and professional skills necessary for career advancement within the fields of engineering, industrial technologies, business management, and health technologies. Upon completion, students will earn a Bachelor of Technical Operations Management along with a minor in Business and have the opportunity to receive certificates in Lean Six Sigma and Technical Project Management to help expand the skills needed to advance in variety of environments.

Online Convenience. Ohio University Quality.

- Review study materials and submit assignments online.
- Learn from distinguished professors.
- Progress through the degree in consultation with an Ohio University academic advisor.
- Coursework can lead to completion of certificates in Lean Six Sigma and Technical Project Management.

Admission Requirements

- Completed technical associate degree (AAS, AAB or ATS) from a regionally accredited college or university
- Completed an approved minimum of 23 semester hours of lab based technical elective coursework.
- Combined 2.0 gpa from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended

23 hours of free electives (23 hours of free elective coursework can be applied from associate degree program in addition to 23 hours of lab based technical credit.)	Work with Academic Advisor for appropriate course selection.	

The information on this guide is based off of the catalog requirements posted in the 2019-2020 Ohio University catalog and related Terra State Community College equivalents as of the Last Updated date. All information is subject to change without notice. Students are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with CPM/Advisor to discuss course selection based on offered options.
