

# Terra State Community College

## Nursing Program

### Admissions Checklist

#### Required Courses & GPA Calculator

Contact your Academic Enrollment Advisor to ensure you have taken the required courses and have your Pre-Nursing Program GPA calculated.

#### TEAS Test

Schedule to take the TEAS test, which is administered at the Terra State Academic Service Center (See TEAS Test Handout). A printout of your results must be submitted to your Academic Enrollment Advisor.

#### Admissions Rubric

All students will have the *Admissions Rubric completed by their Academic Enrollment Advisor*. Your Advisor will submit this to the Nursing Department on your behalf.

#### Application Packet

*Once the above steps have been completed, and the student meets the nursing admissions criteria, students can obtain a Nursing Application Packet from the Academic Enrollment Advisor.*

#### Important Dates for Spring 2027 RN Applicants

**Thursday, October 15, 2026** – Last day for ATI TEAS testing for the Spring 2027 RN cohort entrance.

**Friday, October 30, 2026**– Last day to pick up RN Application Packet in the Advising Office.

**Monday, November 30, 2026** – All application items must be submitted by this date.

**November/ December 2026** – Application Review Appointments will be held - **Specific dates/times TBA**. All applicants must participate in an Application Review with the Nursing Department.

#### Additional Application Information

- Applicants will be required to be up to date on **immunizations**, including COVID-19 vaccination records. Please start gathering this documentation. *\*Flu vaccination is not due until Jan. 1, 2027*
- Applicants will be required to have a **physical examination** by a healthcare professional. The form for this will be in the Application Packet.
- Applicants will be required to obtain **three letters of reference**, including supervisors and faculty members that have taught your science courses.
- Applicants will be required to have a **BCI/FBI check** completed by December 1. The cost for this is approximately \$75.00. An informational form for this will be in the Application Packet.  
**Note:** Results are required before the application review appointment.
- Applicants must be up-to-date on **American Heart BLS Healthcare Provider CPR**. Please provide documentation of this or schedule to take a class ASAP, if needed. Note that this class must contain an in-person component. (Not just online instruction).
